THE CYSTIC FIBROSIS FOUNDATION,

leading the way

The **MISSION** of the Cystic Fibrosis Foundation is to **CURE CYSTIC FIBROSIS** and to provide all people with the disease the **OPPORTUNITY TO LEAD FULL, PRODUCTIVE LIVES** by funding **RESEARCH AND DRUG DEVELOPMENT**, promoting **INDIVIDUALIZED TREATMENT** and ensuring **ACCESS TO HIGH-QUALITY, SPECIALIZED CARE**.

ABOUT THE CYSTIC FIBROSIS FOUNDATION

Founded in 1955, the Cystic Fibrosis Foundation is the world's leader in the search for a cure for cystic fibrosis. The Foundation was started by parents desperate to save their children's lives. Their relentless and impassioned determination to prolong life has resulted in tremendous strides over the past 60 years in accelerating innovative research and drug development, as well as advancing care and advocacy. Virtually every approved cystic fibrosis drug therapy available now was made possible because of the Foundation and its supporters. Still, we believe no one should have to die at a young age.

We will not rest until we have a cure for all people living with CF.

ABOUT CYSTIC FIBROSIS

Cystic fibrosis is a rare, genetic, life-shortening disease that affects every organ in the body and makes breathing difficult. Some people with the disease say it's like breathing through a narrow straw.

In people with CF, a defective gene causes a thick buildup of mucus in the lungs, pancreas and other organs. In the lungs, the mucus clogs the airways and traps bacteria, leading to life-threatening lung infections. Sixty years ago, most children did not live long enough to attend elementary school, but thanks to Foundation based research and care, the median survival age of people with CF is now into the 40s.

About the event

Join the CF Foundation for 27 holes of golf on Tuckaway Country Club's beautiful, newly renovated course! This competitive tournament challenges golfers of all levels. This all-inclusive event includes golf, riding cart, premier golfer gift, breakfast, lunch, and beverages. Also included in your sponsorship/participation is an evening reception featuring a spectacular dinner, live and silent auctions with awards presentation.

Each golf twosome will be flighted according to their combined handicap (four twosomes in each flight). Each golfer will play their OWN ball and each twosome will rotate playing the other twosomes in their flight for nine holes – 27 holes total (divided into three nine-hole matches). Each twosome receives points based on performance.

The twosome with the most points within their flight at the end of 27 holes will be the flight winner. At the end of the three matches, flight winners will then compete in a shootout. Prizes will be awarded to flight winners. Trophies will be presented to the overall tournament winners.

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with

The Cystic Fibrosis Foundation has unrestricted financial reserves of about 13 times its 2018 budgeted expenses following a one-time royalty sale in 2014. These funds, along with the public's continuing support, are needed to help accelerate our efforts to pursue a cure for this fatal disease, fund development of new therapies, and help all people with CF live full, productive lives.
