

Welcome to the Star Walkers Club!

Thank you for joining the AIDS Walk San Francisco 2019 Star Walkers Club!

As your fundraising specialist, my pledge is to provide you with tips, tools, encouragement, incentives, and ideas to make your fundraising efforts a success. The Star Walkers Club is designed to encourage walkers to go the extra mile in their fundraising efforts. It also serves as a way to acknowledge, nurture, and thank you for all your hard work that makes AIDS Walk San Francisco such a powerful day of inclusion, compassion, and action. We now call on you to **respond, resist, and reach** out to your networks to help achieve your Star Walker goal in support of our critical mission. Enclosed is your special Star Walkers Club Fundraising Kit, created to help you get started! Your kit includes the following:

- ★ Star Walkers Club Benefits and Fundraising Tools (see reverse): Check out the rewards of being a Star Walker and learn how to kick-start your personal fundraising.
- ★ Sponsor Form: Keep track of your sponsors as well as your fundraising total.
- ★ Note Card: Send a special request for a donation, or use it as a thank-you card for a donor.
- ★ Return Envelope: Give this postage-paid return envelope to any sponsor who wants to mail in a donation, or use it yourself to send in checks or money orders. Make sure to include your name with every donation you mail in order to receive proper credit toward your fundraising total.
