

Social Media Fundraising Guide

Tips:

- **Be personal.** Do you have a personal story from a previous AIDS Walk you can share? Are you walking/raising money to honor someone?
- Use images. Do you have photos from previous AIDS Walks? If so, use include them in your posts.
- Link to your fundraising page. Make sure you include a link to your page—you want to make giving as easy as possible, and you want the fundraising credit!
- Tag AIDS Walk San Francisco. We have included the proper tags in the suggested text below. Make sure check these tags are working properly before you hit "post."
- **Include your goal.** Show people how ambitious you are. You can also continue to update your account(s) with progress about reaching your goal.
- Spell check!
