

GET TO KNOW

TOMORROW'S LEADERS

"As the Tomorrow's Leaders National Chair, I have seen the program grow over the years and it's amazing to see the number of individuals making a difference in the CF community. People living with CF have been able to go to college, have careers, get married, have kids, all things that not too long ago seemed impossible. But we won't stop until a cure is found! It's an effort that I am proud to be part of."
