Children who are sick need more than doctors and medication to feel better. They need laughter and fun in their lives. Their parents and siblings need things to smile about, too. Chai Lifeline's recreational programs, trips, weekend adventures and Camp Simcha/Camp Simcha Special give children and their families the tools to remain happy and hopeful throughout the long months and years of a child’s illness.

Since the onset of COVID-19, Chai Lifeline has experienced a growing demand for its essential programs and services. CLL staff and volunteers have been working tirelessly to provide support and programs for children with serious illness and their families. We are working to support children and families during a very difficult time.
