# Join us for 65 Roses: LIVE!

Due to Covid-19, the Greater Cincinnati & Dayton Chapter of the Cystic Fibrosis (CF) Foundation is excited to announce 65 Roses: LIVE! —a virtual experience, in lieu of our in-person 65 Roses Gala. While we will miss celebrating with our CF community in person at our 65 Roses Gala, we are thrilled to be able keep our eight-year tradition alive and celebrate virtually during this uncertain time.

## 65 Roses: LIVE! virtual celebration timeline:

### 5pm - Virtual wine tasting ([ticket purchase required](#))

Join us for a virtual wine tasting with Tramonte & Sons. Tramonte & Sons Director of Sales & Operations, Tommy Quitter, will walk us through the tasting as we sip a red and a white wine paired with mini desserts. Tommy can answer any questions you may have, as well as provide tips and tricks on how to host your own wine tasting, what to look for when purchasing wine at the store, how to read a wine label, etc.

Two bottles of wine and a mini dessert pairing will be provided with each \$50.00 ticket (\$23 tax deductible).

It is the attendee's responsibility to pick-up their wine and mini dessert pairing between Fri., Oct. 2nd - Sat., Oct. 17th at Z Place for Wine located at 7823 Cooper Rd, Montgomery, OH 45242.

Pick-up hours: Mon-Thurs 11am-6pm, Fri-Sat 11am-8pm. Closed on Sundays.

### 6-6:30pm – 65 Roses: LIVE! ([ticket purchase not required](#))

- Research update and a mission moment from a local CF ambassador family
- \$65,000 Rose Champion Challenge

A \$65,000 Rose Champion Challenge has been put forth to continue to fulfill the Foundation's commitment to researching a cure for CF. As of now, thanks to a group of generous donors, the Greater Cincinnati & Dayton Chapter has a total of \$45,000 (and counting) in sponsorship for 65 Rose: LIVE!. As the Greater Cincinnati & Dayton Chapter continues to work hard in securing \$65,000 in sponsorship, the chapter, along with our sponsors, want to challenge our community to raise an additional \$65,000 in donations by October 17th, to raise a grand total of \$130,000 toward the 65 Roses: LIVE! virtual celebration. Would you consider donating to our challenge to help make "CF" stand for "Cure Found"!

# Meet the Runkle Family

## 2020 65 Roses: LIVE! Ambassador Family

Not all diseases are able to be seen; my sons' Nolan and Weston, have one of these – cystic fibrosis (CF). CF is a rare, genetic, life-shortening disease that affects every organ in the body and makes breathing difficult.

As a mother of two children with CF, I cannot thank the Cystic Fibrosis Foundation enough for the incredible progress they have made towards a cure. Since the Foundation's founding 65 years ago, they have built a highly specialized system of care and a unique research enterprise that has resulted in more than 10 approved therapies and added decades of life for people with CF. This life-changing progress would not have been possible without the support of generous individuals like you participating in Foundation events like the 65 Roses: LIVE!

Please consider joining us virtually for our 65 Roses: LIVE! celebration on October 17th and accepting the \$65,000 Rose Champion Challenge by making a donation today!
