

BELOVED San Diego is a new congregation that is dedicated to teaching, nurturing, and embodying the extravagant grace, radical inclusion, and relentless compassion of Jesus. Completing two years of ministry in September of 2020, **BELOVED**'s core message, vision, and unique calling has taken shape in innovative, exciting and transformative ways.

Our Message: *You are a beloved child of God . . . in whom God delights!*

Our Vision: *To be a progressive and contemplative community
where forgiveness is real,
uniqueness is celebrated,
and compassion is a way of life*

Our Calling: We are called to reach out in compassion to:

- those who have been wounded by church
- those who seek spirituality but do not trust organized religion
- those who struggle with mental illness, including suicidal ideation, and the families and friends that support them
- those who find themselves at the intersection of race, gender, sexuality, class and/or neuro-diversity

Beyond Walls: By design, we do not have a building. However, **BELOVED**'s ministries have been described as "Beyond the Walls" because we invest the vast majority of our resources in people and partnerships beyond those who already identify with **BELOVED**. We do this understanding and celebrating that many with whom we share ministry may not ever choose to be a core participant in our community.

Signature Seminars and Courses: **BELOVED** provides varied learning opportunities to embrace and to embody compassion for self and others through compassionate action. We use compassion as the source and sustaining force for addressing personal and social issues including emotional health, forgiveness, grieving, and anti-racism.
