Subject: Help me support the kids at Johns Hopkins Children's Center!

Dear/Hi/Hello [Name],

In a world that's constantly changing, one thing has remained steadfast: KIDS CAN'T WAIT. Children are our future, and kids can't wait for a cure, a vaccine, or the curve to flatten. Despite the unpredictability of 2020, Johns Hopkins Children's Center (JHCC) has remained committed to providing the best possible care for patients and their families.

Now, more than ever, they need our help to continue changing kids' health, allowing them to not only save lives, but to save lifetimes. [If you have a personal connection to JHCC, consider adding a sentence or two here about what JHCC specifically means to you].

I have committed to raise funds for the Children's Center as a Miracle Mover in their exciting new virtual event, KIDS CAN'T WAIT: 30 Day Miracle Movement from Oct. 16 through Nov. 14. I am raising funds for [DIVISION/AREA] at the Children's Center because [PERSONAL REASON]. I have set a personal fundraising goal of [\$ GOAL], because [PERSONAL REASON].

Would you consider making a donation? Donating online is safe and easy on [my personal fundraising page: LINK].

I would appreciate any support you could give me for this worthwhile cause. All contributions will benefit Johns Hopkins Children's Center, my local Children's Miracle Network Hospital. Any contribution will help, and all donations are tax-deductible.

Thank you for putting kids first,
