Meet Dovid!

a Chai-A-Thon champ!

Q: What inspired you to fundraise for Chai Lifeline?

I saw neighborhood kids collecting for CLL through their camp. I wasn't in camp and had tons of spare time...I also wanted to fundraise for CLL. Our family friend had a baby with a medical condition and they are part of CLL. That made it a no brainer!

My parents got very involved and created a webpage and video on www.chaiathon.org. They emailed our relatives and friends who generously donated online. We made a lemonade stand, garage sale and ice bucket challenge (my father was pretty excited to dump ice cold water on my head!!)

Q: Did you surpass your goal?

YES!!!! I raised over \$2,500! Many, many people donated because they know how amazing CLL is when a family needs their help.

Q: What's your message to other kids?

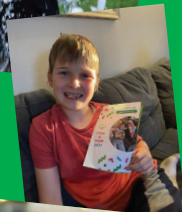

Think of a creative idea and go for it!! Every little bit counts! People want to give Tzedakah and see kids doing their best to work towards a goal. A few months after I raised money for Chai Lifeline, I

was in an accident and needed emergency surgery. I was pretty out of it, but my mother told me Chai Lifeline sent

my family food for Shabbos and checked up on me. BH I had a full recovery, but I thought it was really special that Chai Lifeline cared about our needs.
