

# A MEMORABLE WALK EXPERIENCE

The CHOC Walk in the Park presented by the Disneyland® Resort is a magical 5K walk through Disneyland® Park, Disney California Adventure® Park and Downtown Disney® District. The morning brings together CHOC families, doctors, nurses and the community for one single goal—to raise funds for health care programs, education and research for Southern California's kids. With your favorite Disney® characters cheering you on, celebrating children has never been so fun! Experience Disneyland® as never before at the one and only walk to take place inside the Disneyland® Resort!
