

## JOIN US IN OUR MISSION TO KEEP CHILDHOOD ALIVE AND WELL

At CHOC Children's, we are exclusively committed to protecting kids' health, serving more than 250,000 children and families each year. CHOC improves the health and well-being of children through clinical expertise, advocacy, outreach, education and research. With compassionate experts in countless care specialties, we preserve the magic of childhood. CHOC is there for families every step of the way along their journeys to wellness, allowing kids to get back to being kids.

Our growing health care community includes two state-of-the-art pediatric hospitals in Orange and Mission Viejo, many primary and specialty care clinics, a mental health inpatient center, and four clinical centers of excellence – the CHOC Children's Heart, Neuroscience, Orthopaedic and Hyundai Cancer Institutes.

## JOIN OUR CHOC FAMILY

The mission of CHOC Children's Foundation is to drive a dynamic culture of philanthropy by connecting individuals, families, foundations and corporations with CHOC Children's mission to nurture, advance and protect the health and well-being of children.

By securing philanthropic support and promoting CHOC's work throughout the community, we help ensure leading-edge care is provided for all children, regardless of their family's ability to pay. Join the CHOC family as a volunteer, donor or champion, and help us give every patient the childhood they deserve.
