March 2019

To Whom It May Concern:

Since 1964, CHOC Children's has been steadfastly committed to providing the highest quality medical care to children. Affiliated with the University of California, Irvine, our regional pediatric healthcare network includes a state-of-the-art 334-bed main hospital facility in the City of Orange, and a hospital-within-a-hospital in Mission Viejo, but we are always trying to find ways to continue nurturing, advancing and protecting the Health and Well-Being of Children.

On Sunday, August 11, 2019, we will hold our 29th Annual CHOC Walk in the Park at the Disneyland Resort and we hope you will consider donating to the fundraisers that support our event. The CHOC Walk is CHOC Children's most important fundraiser, raising almost three million dollars every year for the children in our community.

The fundraising efforts of the CHOC Walk make an immediate impact on families going through the most challenging time in their lives. CHOC provides the highest level of care not only to patients, but to the siblings, parents, and extended family that make up their critical support teams.

We ask that you partner with us in our mission by supporting the 29th Annual CHOC Walk in the Park. Please feel free to contact Ashley Loera at (714) 509-3588 or aloera@choc.org if you have any questions or need additional information.

Many thanks in advance for your support!

Sincerely,

Ashley Loera
