Pittsburgh, PA
19th Annual Together In Teal Run/Walk
North Park Pool Loop
Sunday, September 15, 2019
About the National Ovarian Cancer Coalition
For more than 25 years, the NOCC has been committed to raising awareness, promoting education, and funding research in support of women, families, and communities impacted by ovarian cancer. The NOCC is well established as an important national advocate for patients and families affected by this insidious disease.

Our Mission
The mission of the National Ovarian Cancer Coalition is to save lives by fighting tirelessly to prevent and cure ovarian cancer and to improve the quality of life for survivors.

About the Together In Teal Run/Walk
The Together In Teal Run/Walk is the NOCC’s signature event. This event increases awareness, honors those affected by ovarian cancer, and raises financial support benefiting the NOCC’s programs and initiatives.

Why You Should Sponsor
As a proud partner of NOCC, you will have a profound impact on a critical women’s health issue that devastates the entire family. You will be recognized as a leader in the battle against ovarian cancer, and your support will leave a meaningful impression on survivors and their families.

“The National Ovarian Cancer Coalition is an organization that is an amazing resource for women fighting ovarian cancer as well as their families and loved ones. In addition to providing support for those affected by ovarian cancer, the NOCC is committed to advancing ovarian cancer research and increasing awareness about symptoms in the community. The annual Run/Walk is the perfect opportunity to support an outstanding group and connect with the community.”

– Dr. Madeleine Courtney-Brooks

“I support the National Ovarian Cancer Coalition because they support my patients and their families in their battles and victories against ovarian cancer. The NOCC brings awareness to the community and they provide funding for ovarian cancer research and education.”

– Dr. Eileen Segreti
