 **CHOC Children's**
FOLLIES

January 2020

To Whom It May Concern:

Since 1964, CHOC Children's has been steadfastly committed to providing the highest quality medical care to children. Affiliated with the University of California, Irvine, our regional pediatric healthcare network includes a state-of-the-art 334-bed main hospital facility in the City of Orange, and a hospital-within-a-hospital in Mission Viejo, but we are always trying to find ways to continue nurturing, advancing and protecting the Health and Well-Being of Children.

On Friday, March 27 and Saturday March 28, 2020, we will hold our 23rd Annual CHOC Children's Follies and we hope you will consider donating to the cast members that support our event. The CHOC Follies is one of CHOC Children's most important fundraisers as it has raised over \$10 million in critical funds to ensure children receive the very best medical care.

Each year, an original musical production is performed by Orange County's talented civic, social, and business leaders who come together to sing, dance, and raise money for CHOC Children's Hospital. With every song and dance, the show helps support the physical and mental well-being of children in our community.

We ask that you partner with us in our mission by supporting the 23rd Annual CHOC Follies. Please feel free to contact me at (714) 509-7913 or email me at chocfollies@choc.org if you have any questions or need additional information.

Many thanks in advance for your support!

Sincerely,

Lindsey Harris
