

# HELP MOVE A CURE FOR PARKINSON'S DISEASE OVER THE FINISH LINE

Inspired by our community, The Michael J. Fox Foundation (MJFF) established the Fox Trot 5K Run/Walk Signature Series. These family-friendly events connect those living with Parkinson's disease (PD), their loved ones and their networks in supporting vital Parkinson's disease research initiatives. In 2020, we will continue to expand the Series of Foundation-hosted 5K events throughout the country. Thanks to the generosity of an anonymous donor, 100 percent of the proceeds go directly to MJFF's programs to speed a cure for Parkinson's.

## CORPORATE OPPORTUNITIES

Corporate support — through event sponsorship or by forming a company team — can help us put an end to Parkinson's for good. It is also a great way to introduce your organization to MJFF's passionate and engaged community members.

### Corporate Teams and Volunteers:

Form a corporate team of volunteers and/or 5K participants. Create a unique team-building experience by bringing together company leadership and employees to help support MJFF's mission. Together, participants can support one another — or engage in friendly competition! — in training and fundraising.

### Sponsorship:

National and regional sponsorship opportunities are available for the Fox Trot 5K Run/Walk Series or a specific event. For more information, contact us at [foxtrot@michaeljfox.org](mailto:foxtrot@michaeljfox.org).

### In-Kind Partners:

Our in-kind partners donate products or services in lieu of, or in conjunction with, a financial contribution to help reduce the costs of events and further our impact.

#### Los Angeles

March 15  
Rose Bowl

#### Chicago

May 9  
Bolingbrook High School
