

Dear Neighbor,

I hope you are staying safe and healthy during these challenging times.

My name is \_\_\_\_\_ and I live in Apt. \_\_\_\_\_ .

While we have come a long way since the early years of the AIDS crisis, people living with HIV/AIDS face new life-threatening circumstances during the current global pandemic. Already vulnerable to COVID-19 infection, too many experience higher rates of food and housing insecurity, and suffer from health conditions such as diabetes – all of which further increases their risk.

**Please join me in supporting our most vulnerable community members!**
