

Sneaks Come Out at Night Race Updates

Race Update as of 5.7.2020:

It feels like it was just yesterday that we emailed you to let you know that we would be postponing the race due to COVID-19. We hope you and your loved ones are all staying healthy and well!

After much exploration with the city, discussions with our race partners and board of directors, and evaluating the remainder of the 2020 calendar, we have decided to reschedule our Sneaks Come Out at Night race for Friday, August 7th, 2020 to a virtual race!

We have learned so much from hosting two successful virtual races in Philadelphia and Denver. We have some great ideas that we're excited to execute in Baltimore given the strong team component this race exemplifies. We encourage you to reach out if you have any ideas you'd like to share.

Our community has done an amazing job weathering this storm – thank you for being a part of it. We are confident this virtual event will be fun and memorable!

Here's what you can do right now:

- Register for the event! Your support is keeping our members motivated.
- Encourage your friends and family to join either by registering to run or by making a donation toward your fundraising efforts.
- Join us on social media -- on Facebook, Instagram, and Strava

We're so grateful for our Baltimore community, and look forward to coming together to celebrate Sneaks in August!

Race Update as of 3.25.2020:

Back on My Feet's top priority is the health and well-being of our members, volunteers, staff, communities in event attendees. As you likely heard, Baltimore City has postponed a number of spring events, including our Sneaks Come Out At Night 5k.

We are working closely with the city to determine available dates for postponement.

While we are disappointed that we will not be able to gather together in May, we hope that you remember you are not alone. You are instrumental to the Back on My Feet Baltimore community and we appreciate you. Now more than ever we need your help continuing to offer our members support during these uncertain times.

In the meantime, please join Back on My Feet's Strava community to get involved and stay connected.

Thank you for your continued support,

Back on My Feet Baltimore
