

Dear Friend,

On April 25, 2020 I will be walking in the Summit Center's Autism Walk. This walk is a community-wide effort to raise funds in support of the Summit Center's programs and services in Western New York.

The Summit Center Autism Walk promotes autism awareness and acceptance in the Western New York community. For more than 40 years, The Summit Center has given hope to Western New York families affected by autism and developmental, social, and behavioral challenges. Summit is considered a Center of Excellence, serving 1,350 children and young adults through Early Intervention & Education, Behavioral Health, Community & Family Support, and Adult programs and services.

Your generosity is important to the Autism Walk. Proceeds from this year's event will be used to cover the gaps in reimbursement rates for our programs and services. There is no out of pocket cost to families for the majority of our programs and services. As the need for our services continues to grow, so do we. Your continued support directly benefits those we serve. Help us celebrate another successful year by making a donation in support of my team. To make an online donation by credit card, go to www.summitwalk.org and search (my team name or walker) Once there, you can donate! Thank you for helping to make a difference in these young people's lives.

Warmest Regards,
