

FUNDRAISING WITH THE IDF WALK FOR PI APPLICATION – A QUICK TUTORIAL

Step 1: To begin fundraising for both your campaign and your designated Walk, please log into the IDF Walk for PI app.

Step 2: Once you have logged into your account, you will see your profile's homepage with your upcoming walks, progress, and badges. You will also see the option to link your profile to your Facebook account. Select the *CONNECT FUNDRAISER TO FACEBOOK* button located on your account's homepage. This will redirect you to Facebook where you can share your donation progress with others. This will automatically connect all of your Facebook donations to the IDF Walk for PI app to track your fundraising progress in real-time.

Step 3: On the bottom of the home screen you will see a tool bar that has three different options to maximize your fundraising success!

- **Send Messages:** From this tab you can send pre-written messages to your friends, family, and fellow donators through e-mail, text messages, and other social media platforms such as LinkedIn, Twitter, and Facebook! Users can also schedule weekly and monthly messages that are sent out automatically to help spread your mission and fundraising across all social media and texting services.
- **Fundraise:** In this tab you can see who donated to your campaign, as well as make your own donations to other campaigns.
- **Pages:** Adjust your personal information such as your story and profile picture on your personal campaign page. You can also share your profile page on Facebook by clicking *SHARE PAGE*.
