

CREATE A FACEBOOK FUNDRAISER

You **MUST** set up Facebook Fundraiser through your Dashboard or CHOC App for donations to count towards your personal fundraising & incentive packages. You will **NOT** get credit if you start it directly on Facebook.

The screenshot shows the CHOC Celebration Personal Page for Emily Bartlett. At the top left is a logo for 'ADVENTURES IN THE PARK 30 YEARS Disneyland'. The main heading reads 'Welcome to my CHOC Celebration Personal Page!'. Below this is the name 'Emily Bartlett'. On the right side, there are 'SHARE' and 'DONATE' buttons. A navigation bar at the top contains links: DASHBOARD, MY PAGE, EMAIL, CONTACT BOOK, MY REGISTRATION, ACTIVITY CHALLENGE, and GO SOCIAL. A red circle with the number '1' points to the 'GO SOCIAL' link. Below the navigation bar is a secondary bar with 'FACEBOOK FUNDRAISER', SEND MESSAGES, THANK DONORS, EMAIL BADGE, and PREFERENCES. A red circle with the number '2' points to the 'FACEBOOK FUNDRAISER' tab. The main content area is titled 'Create a Facebook Fundraiser' and contains three numbered steps: 1. Create a Facebook Fundraiser linked to your personal fundraising campaign; 2. Share messages with friends in your network and start fundraising with Facebook; 3. Manage your fundraising campaign from Facebook or event website and keep track of your fundraising progress. At the bottom of this section is a white button with a Facebook icon and the text 'CREATE A FACEBOOK FUNDRAISER', with a red circle and the number '3' pointing to it.
