To Whom It May Concern:

Hello, my name is Marcela Salgado. I am raising money for Children's Health Orange County (CHOC). The hospital hosts an annual fundraiser, CHOC Walk in the Park, which raises money for CHOC and provides a fun, family friendly day for those who participate. This year, we're celebrating the 30th Anniversary of the CHOC Walk with a unique celebration – *CHOC Adventure in the Park*.

My team and I, THAT ONE TEAM, are holding a fundraising event to participate and raise money for CHOC. We were able to participate last year thanks to your previous donation of a gift basket, which allowed us to host a raffle and helped raise funds. Our team was able to meet our goal, and raised \$1,500. Our goal this year is to raise \$3,000, doubling our previous contribution.

We are hoping you can help us in our efforts once again by donating gift cards and/or items from your business as raffle items to raise money. All proceeds will go directly to CHOC. Our team strives to support CHOC because we sympathize with those families who have to bare the fate of their children battling these terminal illnesses and for the children themselves who are innocently victims of these illnesses. We would greatly appreciate anything you could donate.

Thank you in advance for your generosity!

Sincerely,

Marcela Salgado | That One Team
