

HungerMitao Tarrant Founders' Circle

About HungerMitao

HungerMitao translates to “wipe out hunger” and it is the mission of HungerMitao to do just that by partnering with local food banks. This volunteer-driven grassroots movement is focused on raising awareness about hunger in the USA, improving community engagement, as well as channeling resources and contributions of the Indian American community towards fighting hunger.

As a member of Feeding America, Tarrant Area Food Bank provides over 1 million meals per week to our community through its 350+ partner agencies across 13 counties. By supporting them, we are feeding the 1 in 6 people in our community who struggle with putting food on the table for their families.

HungerMitao has a twofold vision: 1) Engage in the fight against hunger with our resources to ensure no one goes hungry. 2) Unify the community as a cohesive force so that the Indian American community is recognized as a leader in fighting hunger.

Launched in North Texas in 2017, the movement has enabled more than 35 million meals through Feeding America and food banks in North Texas, Houston, New York City, Atlanta, and Seattle.

The **HungerMitao Tarrant Founders' Circle** gives you, your family, or your business the opportunity to participate in launching this movement in your community and create a lasting impact in the lives of those around us who are struggling. Gifts can be made over a three-year term.
