

WALK FOR THE WAITING

PRESENTED BY:

Every HEART *needs a* HOME!

In Arkansas, there are nearly 4,600 kids waiting in foster care, 329 of those are waiting to be adopted and nearly 200 will "age out" of foster care without a forever family this year. **But you can help change that!**

The Call, Immerse and Project Zero are linking arms virtually again to raise money and advocate for all the children across our state who are waiting for more foster families to open their homes, waiting to be adopted by families and waiting to be mentored. While the pandemic has created challenges for our collective mission, it has even more so strengthened our resolve to ensure that every child in Arkansas has a family.
