THE CYSTIC FIBROSIS FOUNDATION,

leading the way

ABOUT THE CYSTIC FIBROSIS FOUNDATION

Founded in 1955, the Cystic Fibrosis Foundation is the world's leader in the search for a cure for cystic fibrosis. The Foundation was started by parents desperate to save their children's lives. Their relentless and impassioned determination to prolong life has resulted in tremendous strides, and this year we celebrate 65 years of accelerating innovative research and drug development, as well as advancing care and advocacy. Virtually every approved cystic fibrosis drug therapy available now was made possible because of the Foundation and its supporters. Still, we believe no one should have to die at a young age. **We will not rest until we have a cure for *all* people living with CF.**

ABOUT CYSTIC FIBROSIS

Cystic fibrosis is a rare, genetic, life-shortening disease that affects every organ in the body and makes breathing difficult. Some people with the disease say it's like breathing through a narrow straw. In people with CF, a defective gene causes a thick buildup of mucus in the lungs, pancreas, and other organs. In the lungs, the mucus clogs the airways and traps bacteria, leading to life-threatening lung infections. Sixty-five years ago, most children did not live long enough to attend elementary school, but thanks to Foundation-based research and care, people with CF are now living into their 40s.

While people with CF are living longer than in the past, we still lose precious lives every day.

sponsorship

What to Expect:

The festivities begin with lunch on the grounds of the club where there also will be various auction opportunities, followed by a one of a kind exhibition then on to the 15-station sporting clays tournament. The day concludes with an awards reception alongside a last- chance at the silent auction. All in support of the Cystic Fibrosis Foundation achieving results.

Those who participate are given the opportunity to display their community involvement and highlight their professional achievements while raising funds to provide all people with cystic fibrosis the opportunity to lead full, productive lives.

We invite you to be a part of this year's event and join us in celebrating these leaders by supporting the Cystic Fibrosis Foundation and the Shoot for a Cure Event as an event sponsor.

This sponsorship supports the mission of the CF Foundation; to cure cystic fibrosis and to provide all people with the disease the opportunity to lead full, productive lives by funding research and drug development, promoting individualized treatment, and ensuring access to high-quality, specialized care.

BENEFITS FOR YOUR COMPANY

- Position your brand well in local communities and create connections with consumers
- Align with a results-driven organization where your support makes an impact
- Unites colleagues, and builds leadership.

Dear Friend,

The Shoot for a Cure Tournament has been going for 19 years to make an impact on cystic fibrosis for our local community. Last year's Tournament was cancelled due to the pandemic. Jacksonville Clay Target Sports hosts these type events on a weekly basis and has in place responsible measures to assure a safe event. The event committee is also determined to facilitate this event in the safest manner possible by enforcing the venue standards and COVID protocols. I hope you will consider putting in a team or sponsoring our 2021 event. With your support, there is no doubt we will make this year's tournament the best one yet.

Sincerely,

Chip Bozeman
Vice Chairman
