

Hello Walkers!

In the spirit of this year's Olympics, we are giving you the chance to go for the Gold with a Kidney Walk fundraising contest!!

CONTEST ALERT

For every \$100 you raise during the Olympic Games, (July 23-August 8), you'll be entered to win a \$100 Amazon or Target gift card. Raise \$200, you get two entries! \$300 raised? Three entries! You get the idea...

But don't stop there, because as you go for the gold and earn entries, you'll also collect your [2021 Walk Incentives](#). Here's a quick breakdown:

- \$100 - Kidney Walk T-shirt
- \$250 - Kidney Walk Socks
- \$500 - Kidney Walk Facemask
- \$1,000 - You're in the Top Fundraiser Club and will receive a Top Fundraiser Shirt.

The more you raise the more you get. It's that simple! Need help fundraising?

Just like the Olympics, the Kidney Walk brings our community together. While we are still virtual this year, we have plenty of fun planned leading up to our Oct. 3 Walk Day Celebration. Thank you for your support of the Kidney Walk and the kidney community! You make a difference!
