FUNDRAISE USING VENMO

Thank you for fundraising for IDF Walk for PI!
Check out the simple steps listed below to utilize Venmo on your Facebook and/or Instagram story.

HOW DO I FUNDRAISE USING VENMO

- You will want to download our "Venmo Me" Bingo Board by [clicking here](#).
- Place the image on your Instagram or Facebook story.
- Add your Venmo handle as text after the @ symbol, and click share!

As people send you different donation amounts through Venmo, make sure you update your story by sharing the graphic again with the donor's Instagram or Facebook username over the amount they donated to you!

ALL FUNDS ARE DONATED TO IDF WALK FOR PI!
Uniting all members of the PI community.

- Once you have filled your board, transfer your funds to your Bank or Debit Card. Then donate those funds to your campaign page!

Good luck with filling your board and don't forget to thank you donors!
