

Hi There My Friend!

Welcome to the TZ Kid's Club and thank you so much for joining the walk team. I appreciate you giving your time to spread the word about IDF, fundraise, and lace up your shoes to walk at IDF walk for PI Los Angeles.

I'm so excited to share my TZ Tracker and Walk Scavenger hunt. The tracker has tasks for you to complete that will help you stay safe and enjoy your walk. The scavenger hunt is a cool game where you look for a list things while you walk.

Complete and check off each activity on the TZ Tracker and check off all the items you find during your walk on the scavenger hunt list, then send it back to me at walk@primaryimmune.org and put my name, "TZ", in the subject line. When I receive your completed forms I'll send you your TZ Kid's Club membership card and a cool prize!

Stride with IDF Pride!
