

## GET INVOLVED

### BECOME A DEFENDER OF CHILDHOOD

When children face a medical crisis, their families look for healing, *and* assurance that they are being well cared for. That is why CHOC's mission is to nurture, advance and protect the health and well-being of children. From attending our starlit CHOC Gala to launching a fundraiser on your birthday to offering CHOC families love and time as a volunteer, there is a place for you to help us accomplish our mission for every child that we care for.

**As CHOC grows as a leading pediatric healthcare system, our Foundation strives to secure philanthropic support and promote your life-saving work in the community in partnership with our dedicated supporters.**
