

Corporate Team Challenge

THE 2023 SOUTHERN CALIFORNIA KIDNEY WALK CORPORATE TEAM CHALLENGE IS UNDERWAY!

Join the fun to benefit the National Kidney Foundation's Kidney Walk

What is the Corporate Team Challenge?

The Corporate Team Challenge is a competition between local businesses to promote the Kidney Walk. The goal of the competition is for each corporate team to try to raise the most money for their walk team in support of the National Kidney Foundation.

How does the Challenge work?

Each month, your walk team will be updated on the number of walkers of each corporate team and how much money each team has collectively raised. The team that raises the most money as of Walk Day on Oct. 1, 2023, will be named the winning Corporate Team and rewarded with **the "Kidney Cup – Corporate Division" traveling trophy!**

Why participate in the Corporate Team Challenge?

This is your chance to make a difference for thousands of people who are currently on dialysis or waiting for a life-saving organ transplant. Also, help win **the "Kidney Cup – Corporate Division" traveling trophy!**

How do I get involved?

Sign-up at your company TODAY by visiting kidneywalk.org/socal and start raising money for the NKF! Invite vendors and your staff's family, friends, and neighbors to walk with you!
