

Dialysis Team Challenge

THE 2023 SOUTHERN CALIFORNIA KIDNEY WALK DIALYSIS TEAM CHALLENGE IS UNDERWAY!

Join the fun to benefit the National Kidney Foundation's Kidney Walk

What is the Dialysis Team Challenge?

The Dialysis Team Challenge is a competition between local dialysis centers to promote the Kidney Walk. The goal of the competition is for each dialysis team to try to raise the most money for their walk team in support of the National Kidney Foundation.

How does the Challenge work?

Each month, your walk team will be updated on the number of walkers of each dialysis team and how much money each team has collectively raised. The team that raises the most money as of Walk Day on Oct. 1, 2023, will be named the winning Dialysis Team and rewarded with **the "Kidney Cup – Dialysis Division" traveling trophy!**

Why participate in the Dialysis Team Challenge?

This is your chance to make a difference for thousands of people who are currently on dialysis or waiting for a life-saving organ transplant. Also, help win **the "Kidney Cup – Dialysis Division" traveling trophy!**

How do I get involved?

Sign-up at your clinic TODAY by visiting kidneywalk.org/socal and start raising money for the NKF! Invite vendors and your staff's family, friends, and neighbors to walk with you!
