Food & Beverage

We are excited to collaborate with Elephant's Catering on this exciting event. Assorted appetizer platters will be made available during the reception followed by a comforting dinner buffet including salad, lasagna, and bread. A vegetarian option will also be available. Please notify your CFF team in the case of specialized dietary restrictions.

Non-alcoholic beverages will be hosted, and a cash bar will be available for beer and wine purchases.

Dress Code

We are excited to celebrate with you and are noting the dress code as "Smart Casual." Smart casual recommends that guests dress neatly, without being overly dressy – or overly casual. For men, dark denim, chinos, or suit pants with a neat shirt is appropriate while women can wear skirt or smart trousers.
