Subject: Help fight cancer and support our community

Dear [Business Owner],

My name is [Your Name] and I am a proud supporter and participant of the [UCI Anti-Cancer Challenge](#), a community movement dedicated to raising funds for cancer research!

I am reaching out to you because I believe that your business would be a great supporter of this cause and I would like to ask for your help in spreading the word about the importance of supporting cancer research.

Every dollar donated towards the UCI Anti-Cancer Challenge goes directly to cancer-related pilot projects and early phase clinical trials aimed to develop new insights into cancer prevention, treatment and cures.

Would your business be willing to share flyers with your customers and even post them on your website? This would be a great way for your business to show support for cancer research and the community.

I truly appreciate your consideration. You can learn more about the UCI Anti-Cancer Challenge at anti-cancerchallenge.org. If you have any questions or would like to discuss further, please feel free to contact me at [Your Contact Information].

Thank you for your time and consideration.

[Your Name]

P.S. I would be happy to drop off flyers at your business or send them to you electronically, whatever is more convenient for you.
