The Summit Center
150 Stahl Rd, Getzville, NY 14068

At The Summit Center, we believe in every individual's potential. We believe in their spirit, their hard work, and their determination. The 2023 Autism Walk will celebrate that belief in our children and adults, our families, our staff, and our community.

The Autism Walk is a community-wide effort to raise funds in support of Summit's programs and services. More than 2,000 walkers and volunteers will fundraise for Summit, celebrate the successes of our students, and raise awareness – including representatives from local companies. The Walk allows companies like yours to be part of something truly special.

According to the CDC, 1 in 44 children is diagnosed with autism spectrum disorder. Chances are you know someone impacted by autism – a friend, family member, neighbor, or colleague. A partnership with The Summit Center lets current and potential customers know you support the children and families we serve. Enclosed are suggestions on building our partnership. We also welcome your ideas on how to best connect with our audience.

This year's event also marks two special milestones: our 25th anniversary of walking and The Summit Center's 50th anniversary of serving individuals. We invite your company to participate in this special commemoration to celebrate five decades of making lives better!
