To Whom It May Concern:

Since 1964, Children's Health of Orange County (CHOC) has been steadfastly committed to providing the highest quality medical care to children. Affiliated with the University of California, Irvine, our regional pediatric healthcare network includes a state-of-the-art 334-bed main hospital facility in the City of Orange, and a hospital-within-a-hospital in Mission Viejo, but we are always trying to find ways to continue nurturing, advancing and protecting the Health and Well-Being of Children.

On March 29 – March 30, 2024, we will perform in the CHOC Follies. This beloved annual event unites Orange County's talented civic and society leaders to sing, dance and act to raise money for CHOC. This dedicated group of performers has raised more than \$10 million over the last 25 years to support the children in our community.

The fundraising efforts make an immediate impact on families going through the most challenging time in their lives. CHOC provides the highest level of care not only to patients, but to the siblings, parents, and extended family that make up their critical support teams.

We ask that you partner with us in our mission by donating to the fundraisers that support the CHOC Follies. Please feel free to contact me at (714) 509-8269 or Emily.Bartlett@choc.org if you have any questions or need additional information.

Many thanks in advance for your support!

Sincerely,

A handwritten signature in black ink that reads "Emily Bartlett". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
