Dear Valued Community Leader,

By joining as a Friendship House Partner, your support is an investment in the future of a more inclusive community for kids, teens, and adults of all abilities. Your support will help us continue various social and recreational opportunities for families of children and young adults with disabilities, allowing our circle to expand and positively affect more families throughout our community.

On Sunday, March 3rd, 2024, we will host our 2nd annual fundraiser – Walk4Friendship, a walk and community carnival. This event will welcome over 1000 people, joining in solidarity and friendship, uniting for an important cause. The Walk is free of charge and open to the community, and the carnival following the Walk is full of rides, games, food, and fun! This is an excellent opportunity for your business or organization to show your support and make a difference!

THANK YOU in advance for your consideration. We encourage you to attend one of our many programs to witness the joy and friendships we help create!

For more information regarding sponsorship opportunities or to set up a team for your office and/or family, please get in touch with Rabbi Sholom Kessler at (561) 788-4388 or email walk@bocafriendship.com

Together, We Can Perform Miracles!

Providing social, educational and recreational experiences for individuals with Special needs

ABOUT FRIENDSHIP HOUSE

WE ARE MAKING A DIFFERENCE IN OUR COMMUNITY...

Friendship House extends a helping hand to families who have children with special needs, involving them in a full range of social and recreational programs through volunteer outreach. While giving friendship to a child, our teenage volunteers themselves become empowered, enriched, and profoundly transformed, enabling friendship to work both ways!

We are made up of five parts: our Volunteers, our Special Friends, our Families, our Staff, and our Supporters. The true beauty of the circle is how we all link together to form a seamless circle of friendship that brings awareness and acceptance into the lives and hearts of those in our circle and the community as a whole.

OUR IMPACT...

Friendship House is currently providing services to over 65 children and young adults with special needs and their families through programs, services, and workshops, offering our special friends an opportunity to build their social skills.

Friendship House works with over 80 dedicated teenage and young adult volunteers from throughout the community, fostering values of altruism and volunteerism while changing their lives in a positive way.

Friendship House works with medical professionals and organizations through partnerships and program services.

The Walk4Friendship and Family Carnival community event brings together over 1000 people from throughout the county, promoting friendship and community involvement.

OUR VISION...

Friendship House focuses on abilities. We believe that everyone in this world is here for a unique purpose, and no two people are alike. We believe that individuals with special needs have the potential to influence others in a unique way.

Friendship House's teen volunteers and friends of all abilities set an extraordinary example for the rest of the world – that unwavering honesty, acceptance, positive thinking, and commitment build important and fulfilling friendships.

- **Lori Solodkin, Parent**

"I love Friendship House and could not believe I wasn't a part of it sooner. I have made a personal connection with my buddy. We share a very special bond, and he has impacted me in so many ways. I look forward to going to Friendship House throughout the week and miss it so much when we don't have a session that day."

- **Samantha Ostroff, Volunteer**

"Friendship House is where Jojo feels he belongs, and it's his friendship "house," a warm, caring, and fun environment where everyone is made to feel welcome. The best is when he runs inside without looking back to say goodbye at drop-off!"
