Dear Valued Community Leader,

By joining us in our circle as a Friendship Circle Partner, your support is an investment in the future of a more inclusive community for kids, teens, and adults of all abilities. Your support will help us continue a variety of social and recreational opportunities for families of children and young adults with disabilities, allowing our circle to expand and positively affect more families throughout our community.

It's been an exciting year with many positive changes. In 2023 we saw an increase in participants, and we welcomed twenty new families to our programming! Speaking of growth, our staff also increased last year, and we're thrilled to have new faces in our office.

On April 7th, 2024, we will be hosting our 6th annual fundraiser – Walk4Friendship, which is a walk and community carnival. This event will welcome over 1000 people, joining in solidarity and friendship, uniting for an important cause. The Walk is free of charge and open to the community, and the carnival following the Walk is full of rides, games, food, and fun! This is a great opportunity for your business/organization to show your support and make a difference!

THANK YOU in advance for your consideration. We encourage you to attend one of our many programs to witness the joy and friendships we help create!

For more information regarding sponsorship opportunities or to set up a team for your office and/or family, **please contact Rabbi Levi Harlig (702) 596-1770 or email info@walk4friendshiplv.com**

Sincerely,
Rabbi Levi Harlig

Together, We Can Perform Miracles!

Providing social, educational, and recreational experiences for children and teens who have special needs.

ABOUT THE FRIENDSHIP CIRCLE

WE ARE MAKING A DIFFERENCE IN OUR COMMUNITY...

The Friendship Circle extends a helping hand to families who have children with special needs, involving them in a full range of social and recreational programs through volunteer outreach. While giving friendship to a child, our teenage volunteers themselves become empowered, enriched, and profoundly transformed, enabling friendship to work both ways!

We are made up of five parts: our Volunteers, our Special Friends, our Families, our Staff, and our Supporters. The true beauty of the circle is how we all link together to form a seamless circle of friendship that brings awareness and acceptance into the lives and hearts of those in our circle and the community as a whole.

OUR IMPACT...

The Friendship Circle is currently providing services to over 60 children and young adults with special needs and their families through programs, services, and workshops, offering our special friends an opportunity to build their social skills.

The Friendship Circle works with over 75 dedicated teenage and young adult volunteers from throughout the community, fostering values of altruism and volunteerism while changing their lives in a positive way.

The Friendship Circle works with medical professionals and organizations through partnerships and program services.

The Walk4Friendship and Family Carnival community event brings together over 1000 people from throughout the county, promoting friendship and community involvement.

OUR VISION...

Friendship Circle focuses on abilities. We believe that everyone in this world is here for a unique purpose and no two people are alike. We believe that individuals with special needs have the potential to influence others in a unique way.

Friendship Circle's teen volunteers and friends of all abilities set an extraordinary example for the rest of the world – that unwavering honesty, acceptance, positive thinking, and commitment build important and fulfilling friendships.
