PRESENTED BY

RXR

## Social Media Toolkit 2024

**Thank you for being part of the 12th annual 9/11 Memorial & Museum 5K Run/Walk, presented by RXR, on April 28!**

Each year, the funds raised by our participants play a critical role in supporting our mission: preserving the lessons and legacy of 9/11 and educating future generations so we never forget. To help you recruit team members and amplify your fundraising efforts for the greatest possible impact, we put together a social media toolkit containing sample social media posts and hashtags (below) and graphics (see separate folder) you can use to build support. Whenever you post, be sure to include a link to your fundraising page! Feel free to personalize these with your own voice and stories - and to go beyond text, using Instagram Reels and TikTok.

To ensure future generations #NeverForget911, I'm [running/walking] in the #911Memorial5K (presented by @OneRXX) on April 28 to raise \$XXX for the #911Museum and #911Memorial. On 9/11, first responders risk their lives to help others and keep us safe. On April 28, I'll be [running/walking] the same route many of them took to reach Ground Zero in the #911Memorial5K presented by @OneRXR to honor these brave men and women who ran toward danger on 9/11. Join my team or donate (or both!): [\[link\]](#)
