

# ADD PHOTOS

You want people to know it's you when they visit your page!

You can add a profile and cover photo, and you can also keep things exciting by adding photos as you make progress throughout your campaign:

- **Training for a race or a hike?** Post photos as your training progresses.
- **Celebrating your birthday?** Add photos from past birthdays.
- **Doing a fundraiser in your community?** Show photos of the venue to get people excited.
- **Creating your own campaign?** Use photos to show folks what in the heck you're doing!

## DOING GOOD BY NATURE
