

SPONSORSHIP OPPORTUNITIES

Mitzvah Kids inspires and empowers children to engage in acts of kindness and to make a positive impact in their community. Participants will learn about the Jewish values of caring for the sick, spread awareness about how Chai Lifeline Canada supports children and families, and raise funds for the cause.

On **Tuesday, January 28, 2025** all Mitzvah Kids will celebrate their hard work and dedication at The Bubble where they will bounce on Canada's only Inflatapark, play laser tag, and win prizes at the arcade!

Synagogues from around the GTA are participating in Mitzvah Kids through their supplementary schools, B'nei Mitzvah programs, and congregational Mitzvah Days.

Chai Lifeline Canada is passionately devoted to supporting children and families who are facing life-threatening and chronic illness.

When a child is born with or develops a serious illness, every member of the family and every aspect of every day is impacted. While medical teams at the hospital are focused on the immediate health of an ill baby, child or teenager, Chai Lifeline Canada's team is dedicated to the wellbeing of the patient, their siblings and their parents.

All of Chai Lifeline Canada's programs and services - from a dedicated Case Manager to therapeutic programs, from social activities to educational support, from family getaways to medically-supervised summer camps - are provided FREE of charge.
