

How To Post on Social Media with Fifty2 Stigma Branding

Make sure the Logo has been downloaded off of <https://www.fifty2endstigma.org/Static/action-pack>

Social Media Story

Download Canva and build a free account

1. Select Social Media
2. Select Instagram Story (For FaceBook and Instagram Story)
3. Create Blank Artboard
4. Upload
5. Upload Files
6. Select the image you want to use and the logo that will best fit the image
7. Add them
8. Select your image
9. Resize it to fit the artboard using the corners
10. Select Upload
11. Select the logo
12. Resize using the corners and move wherever it looks best
13. Once you find the perfect location, select the downward facing arrow
14. Save image and it's ready to post!

Social Media Post

Follow the same process EXCEPT for Step 2. Select Instagram or FaceBook Post instead.
