

## CORPORATE TEAM SPONSORSHIPS

### SPONSORING EMPLOYEE PARTICIPATION

Celebrating a Children's Hospital with Outstanding Care' is what the CHOC Walk represents. If you're looking to inspire employees while making an impact in your community, consider joining the hundreds of corporate CHOC Walk teams in this cause by creating your own! Companies have the opportunity to encourage employee engagement by sponsoring participation, matching gifts or promoting individual fundraisers unique to your organization's culture.

1

#### Step 1: Reach Out

Send an email to Winnie Tran at [wtran@choc.org](mailto:wtran@choc.org) with all your team details, including the number of participants, sponsor amount and any additional fundraising plans.

2

#### Step 2: Get Organized

We'll send you an Excel grid to gather all your teammates information. Collect names, e-mail addresses, and other details and send back to us once your team is completed.

#### Step 3: Assemble

We'll upload the information and create your team for you! Each participant will have a unique webpage created for them with the ability to fundraise. We will follow up with you once registration is complete with a list of participant passwords.
